Salicylic Acid 2%

Purpose: Acne treatment

USE:

For the treatment of acne.

For external use only.

Skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

DIRECTIONS:

Clean the skin thoroughly before applying product.

Cover the entire affected area with a thin layer one to three times daily.

Because excess drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor.

If bothersome dryness or peeling occurs, reduce application to once a day or every other day.

If swallowed, get medical help or contact a Poison Control Center right away.

If pregnant or breast-feeding, ask a health professional before use.

Protect the product in this container from excessive heat and direct sun.
