OBAGI MEDICAL ACNE CLEANSING WIPES

2% Salicylic Acid

Suitable for Oily or Acne-Prone Skin

Drug Facts

Active Ingredient

Salicylic acid 2%

Purpose

Acne treatment

Uses

- for the treatment of acne
- dries up acne pimples
- helps prevent new acne pimples

Warnings

For external use only

When using this product

- avoid contact with the eyes. If product gets into the eyes rinse thoroughly with water.
- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

Keep out of reach of children

- if swallowed, get medical help or contact a Poison Control Center right away.

Directions

- wipe the entire affected area one to three times daily to clean and treat skin
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day

Other information

- store at controlled room temperature: 15°C–25°C (59°F–77°F)
- store away from heat and direct sunlight

Inactive Ingredients

water (aqua), hamamelis virginiana (witch hazel) water, propanediol, aloe barbadensis leaf extract, aloe barbadensis leaf juice, brassica oleracea italica (broccoli) extract, cinnamomum zeylanicum bark extract, bioflavonoids, alpha-glucan oligosaccharide, decyl glucoside, dextrin, polydextrose, amylopectin, niacinamide, cocamidopropyl PG-dimonium chloride phosphate, sarcosine, capryloyl glycine, alcohol, hexylene glycol, ethylhexylglycerin, caprylyl glycol, phenoxyethanol
