Active ingredients

Camphor (synthetic) 4.8%

Eucalyptus oil 1.2%

Menthol 2.6%

Purposes

Cough suppressant & topical analgesic

Cough suppressant

Cough suppressant & topical analgesic

Uses

■ temporarily relieves cough associated with a cold ■ temporarily relieves minor aches and pains of muscles and joints

Warnings

For external use only; avoid contact with eyes.

Do not use

■ by mouth ■ in nostrils ■ on wounds or damaged skin ■ with tight bandages

Ask a doctor before use if you have

■ cough that occurs with too much phlegm (mucus) ■ persistent or chronic cough such as occurs with smoking, asthma or emphysema.

When using this product, do not

■ heat ■ microwave ■ add to hot water or any container where heating water. May cause splattering and result in burns

Stop use and ask a doctor if

■ muscle aches and pains worsen or persist for more than 7 days or clear up and occur again within a few days ■ cough persists for more than 1 week, tends to recur, or is accompanied by fever, rash, or persistent headache. A persistent cough may be the sign of a serious condition

If pregnant or breast-feeding

ask a health professional before use

Keep out of reach of children

If swallowed get medical help or contact a Poison Control Center immediately.

Directions

■ **see important warnings under "When using this product"**

■ **for cough suppression** ■ adults and children 2 years of age and older: ■ rub on throat and chest in a thick layer ■ cover with a warm, dry cloth if desired ■ clothing should be loose around throat and chest to help vapors reach the nose and mouth ■ use up to three times daily or as directed by a doctor ■ children under 2 years of age: consult a doctor

■ **for muscle, joint minor aches and pains:** ■ adults and children 2 years of age and older: ■ clean affected area before applying ■ apply to affected area not more than 3 to 4 times daily ■ children under 2 years of age: consult a doctor
