Stridex® XL Face & Body Pads™

Drug Facts

Active ingredient

Salicylic acid 2.0% (w/w)

Purpose

Acne medication

Uses

- for the treatment of acne
- reduces the number of acne pimples and blackheads and allows skin to heal
- helps prevent new acne pimples from forming

Warnings

For external use only

Allergy alert

do not use this product if you have a known allergy to salicylic acid

When using this product

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- clean the skin thoroughly before applying this product
- use the pad to cover the entire affected area with a thin layer one to three times daily
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce application to once a day or every

other day

- do not leave pad on skin for an extended period of time
- keep away from eyes, lips and other mucous membranes

Other information

- **DO NOT FLUSH** - discard pad in trash and wash hands after use

Inactive ingredients

ammonium lauryl sulfate, ammonium xylenesulfonate, citric acid, citrus grandis (grapefruit) fruit extract, ethylhexylglycerin, fragrances, glycerin, menthol, phenoxyethanol, purified water, simethicone, sodium borate, tetrasodium EDTA

Stridex XL Face & Body Pads™ = More Choices In Each Pad

Dual textured

- Smooth side for gentle application of medication.
- Textured side for more exfoliation when you need it.

67% bigger than ordinary pads

- Each pad lifts away more deep down dirt and oil.
- Suitable for face and other acne-prone body parts.

CLEANS

Unclogs pores and dissolves deep-down oil... even removes what cleansers and soaps leave behind.

TREATS

Clears up existing pimples and blackheads with salicylic acid, a proven acne medication.

PREVENTS

Used regularly, Stridex pads help prevent breakouts before they start.

ACTUAL PAD SIZE 7.07 in²

*Compared to 4.21 in²

STRIDEX XPECT MORE®

MAXIMUM

MAXIMUM
Highest level of acne control available without a prescription.

SENSITIVE
With soothing aloe to comfort skin.

ESSENTIAL
