The 5-in-1 BB CRÈME AU GINSENG is a Korean formula for visibly perfect skin.

This multi-purpose, skin care complexion-enhancer draws on the expertise of Korean technology. Enriched with Ginseng - with multiple beneficial properties renowned in Korea - the formula adapts to your natural skin tone and helps to:

1. Even out and mattify the complexion,
2. Reduce the appearance of blemishes,
3. Refine skin's texture,
4. Moisturize and "plump" the skin,
5. Give a non-oily, velvety finish.

Your skin is visibly softer, smooth and beautiful, with a silky feel, just like "baby skin".

The BB CRÈME AU GINSENG "clair" shade is particularly suitable for lighter skin tones, to create a perfect-like finish.

[Apply onto face and smooth over the skin, working outwards from the center. Also makes an excellent make-up base.]

Tested under dermatological supervision. Non Comedogenic.
