CLEARSKIN DAILY CORRECTING LOTION

Active/Medicinal Ingredient

Salicylic Acid 0.5%.....

Purpose

.....Acne Treatment

Uses

- for the treatment of acne
- reduces the number of acne blemishes
- helps clear up most acne blemishes

Warnings

For external use only

When using this product

- avoid contact with eyes. If product contacts eyes, rinse thoroughly with water. If irritation persists, seek medical attention.
- discontinue use if excessive skin irritation develops or increases. If irritation persists, consult a health care practitioner.
- using other topical acne products at the same time or immediately after this product may increase dryness or irritation of the skin. If this occurs, only one product should be used unless directed by a health care practitioner

Sunburn Alert: Use only as directed. This product contains an alpha hydroxy acid that may increase your skin's sensitivity to the sun and particularly the possibility of sunburn. Please limit sun exposure and apply a sunburn protectant while using this product and for a week afterwards.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- cleanse skin thoroughly before applying product
- apply a thin layer of product to affected areas one to three times daily or as directed by a health care practitioner
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two to three times daily if needed or as directed by a health care practitioner
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day
