Earths Care Acne Treatment Mask

Drug Facts

Active ingredients

Sulfur 5%

Purpose

Acne medication

Uses

for the treatment of acne

- penetrates the pores and dries and clears pimples and blackheads
- helps to keep new pimples and black heads from forming.

Warnings

For external use only

When using this product

- do not get into eyes
- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs only use one topical acne medication at a time.
- apply only to areas with acne.

Do not use on

- broken skin
- large areas of the skin

Stop use and ask a doctor if

- excessive skin irritation develops or increases

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- cleanse the skin thoroughly before applying
- cover the entire affected area with a thin layer one to three times daily
- leave on for 10 minutes
- thoroughly remove with water
- because excessive drying of the skin may occur, start with one application daily, then gradually

increase to two to three times daily if needed or as directed by a doctor

- if bothersome dryness or peeling occurs, reduce application to once a day or every other day

Inactive ingredients

Avena sativa (oat) kernel colloidal oatmeal, bentonite, Butyrospermum parkii (shea) butter, cetearyl glucoside, citric acid, glycerin, glyceryl stearate, Helianthus annuus (sunflower) seed oil, hydrogenated castor oil, kaolin, phenoxyethanol, potassium sorbate, purified water, sodium stearoyl glutamate, xanthan gum.

Indications

Earth's Care Acne Treatment Mask utilizes the powerful anti-acne agent Sulfur to cleanse pores and start clearing blemishes and pimples on contact. Formulated to reduce irritation as well as prevent future breakouts, our proprietary blend restores a smooth and healthy complexion. Allergy tested and non-comedogenic (will not clog pores), our clarifying mask formula does not contain parabens, phthalates, artificial colors or fragrance.
