

AF FOAM SENSITIVE ACNE PORE CLEANSER - salicylic acid aerosol, foam
University Medical Pharmaceuticals Corp

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

AF Foam Sensitive Acne Pore Cleanser

Active ingredient: Salicylic Acid 1.5% w/v

Purpose: Acne Treatment

Use for the treatment of acne.

Warnings: For external use only

Do not use If you have a known allergy to Salicylic Acid or aspirin.

Using other topical acne medications at the same time or right after use of this product may increase dryness or irritation of the skin. If this occurs only one medication should be used unless directed by a doctor.

When using this product

- Avoid contact with eyes. If contact occurs, flush thoroughly with water. Keep away from lips and mouth. If you have aspirin sensitivity, consult a physician prior to use.

Stop use and ask a doctor if excessive irritation occurs.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Use AM and PM. Recommended: after AM use, follow with AcneFree All-Day Acne Control. After PM use, follow with AcneFree 3-in-1 Acne Night Repair.
- Moisten skin.
- **Shake can before use.**
- Press down firmly on dispenser and apply a small amount of foam (not more than a dollop the size of golf ball) into hand.
- Using fingers, apply to face and gently massage to cleanse.
- Rinse thoroughly with warm water and pat dry.
- If bothersome peeling occurs, reduce application use.
- **If going outside, use a sunscreen.**

Other information

- Store at 60°- 85° F (15°-30° C).
- Pressurized container: Protect from sunlight and do not expose to temperatures exceeding 120°F (49° C). Do not puncture or burn, even after use. Use only as directed.

Inactive ingredients: Avena Sativa (Oat) Kernel Extract, Bisabolol, Cocamidopropyl Betaine, Disodium Laureth Sulfosuccinate, Glycerin, Methylisothiazolinone, Phenoxyethanol, Sodium Chloride, Sodium Hydroxide, Sodium C14-16 Olefin Sulfonate, Tetrasodium Glutamate Diacetate, Water/Aqua/Eau, Zinc PCA, Zingiber Officinale (Ginger) Root Extract.
