WALGREEN COMPANY

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Walgreens Acne Spot Treatment Lotion

Active Ingredient

Benzoyl peroxide 2.5%

Purpose

Acne Medication

Uses

for the treatment of acne

Warnings

For external use only

Do not use if you

- have very sensitive skin
- are sensitive to benzoyl peroxide

When using this product:

- avoid unnecessary sun exposure and use a sunscreen
- avoid contact with the eyes, lips, and mouth
- avoid contact with hair and dyed fabrics which may be bleached by this product
- skin irritation may occur, characterized by redness, burning, itching, peeling, or possibly swelling. Irritation may be reduced by using the product less frequently or in a lower concentration.
- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

Stop use and ask doctor if

- irritation becomes severe.

Keep out of the reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Clean the skin thoroughly before applying this product
- Cover the entire affected area with a thin layer one to three times daily
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two to three times daily if needed or as directed by a doctor
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day
- If going outside, apply sunscreen after using this product. If irritation or sensitivity develops, stop use of both products and ask a doctor.

Other information

- Keep tightly closed
- Avoid storing at extreme temperatures (below 40 F and above 100 F)

Inactive Ingredients

Water, Carbomer, Ethylhexylglycerin, Sodium Hydroxide, Chlorphenesin, Disodium EDTA, Laureth-4, Hydroxypropyl Methylcellulose.

Label

Active ingredient: Benzoyl peroxide 2.5%. **Warnings: For external use only.** ■ Do not use if you have very sensitive skin or if you are sensitive to benzoyl peroxide. **When using this product:** ■ avoid unnecessary sun exposure and use a sunscreen ■ using other topical acne drugs at the same time or right after use may increase dryness or irritation of skin. If this occurs, only one drug should be used. ■ keep away from eyes, lips and mouth. ■ this product may bleach hair or dyed fabrics. ■ Stop use and ask a doctor if irritation becomes severe and continues. ■ **Keep out of reach of children.** If swallowed get medical help or contact a Poison Control Center right away. **Directions:** ■ Clean the skin thoroughly before applying this product ■ Cover the entire affected area with a thin layer one to three times daily ■ Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor ■ If bothersome dryness or peeling occurs, reduce application to once a day or every other day ■ If going outside, apply sunscreen after using this product. If irritation or sensitivity develops, stop use of both products and ask a doctor. **Other information:** Keep tightly closed. ■ Avoid storing at extreme temperatures (below 40° F and above 100° F).
