

**PAIN RELIEVER FEVER REDUCER CHILDRENS- acetaminophen suppository
Walgreen Company**

Walgreen Co. Children's Pain Reliever/Fever Reducer Drug Facts

Active ingredient (in each rectal suppository)

Acetaminophen 120 mg

Purposes

Pain reliever/fever reducer

Uses

temporarily

- reduces fever
- relieves minor aches, pains, and headache

Warnings

Liver warning:

This product contains acetaminophen. Severe liver damage may occur if your child takes

- more than 5 doses in 24 hours, which is the maximum daily amount
- with other drugs containing acetaminophen

Allergy alert: Acetaminophen may cause severe skin reactions. Symptoms may include:

- skin reddening
- blisters
- rash

If a skin reaction occurs, stop use and seek medical help right away.

For rectal use only

Do not use

- if you are allergic to acetaminophen
- with any other drug containing acetaminophen (prescription or nonprescription). If you are not sure whether a drug contains acetaminophen, ask a doctor or pharmacist.

Ask a doctor before use if

- the child has liver disease
- the child is taking the blood thinning drug warfarin

Stop use and ask a doctor if

- fever lasts more than 3 days (72 hours), or recurs
- pain lasts more than 5 days or gets worse
- new symptoms occur
- redness or swelling is present in the painful area. These may be signs of a serious condition.

Keep out of reach of children.

If swallowed or in case of overdose, get medical help or contact a Poison Control Center right away (1-800-222-1222). Quick medical attention is critical in case of overdose for adults and for children even if you do not notice any signs or symptoms.

Directions

- **this product does not contain directions or warnings for adult use**
- **do not use more than directed**
- remove wrapper
- carefully insert suppository well up into the rectum

Dosing Chart	
Age	Dose
under 3 years	Do not use unless directed by a doctor
3 to 6 years	Use 1 suppository every 4 to 6 hours (maximum of 5 doses in 24 hours)

Other information

- store at 20-25°C (68-77°F) or in a cool place
- tamper-evident: suppositories are individually wrapped. Do not use if printed wrapper is opened or damaged.

Inactive ingredients

hydrogenated vegetable oil
