Warnings

For external use only

When using this product

- Use only as directed
- Avoid contact with eyes and mucous membranes
- Do not apply to wounds, damaged or irritated skin
- Do not bandage or cover with wrap or use heating pad
- Do not use 1 hour prior to bathing or 30 minutes after bathing.

Stop use and ask a doctor if

- Condition worsens
- Severe skin irritation occurs
- Pain persists for more than 7 days
- Pain clears up and then recurs a few days later.

If pregnant or breast-feeding, or if you have sensitive skin, ask a healthcare professional before use.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center immediately.

Directions

- For adults and children over 12, rub well on the affected area. Repeat 3-4 times daily
- For children 12 years of age or younger, consult a doctor before use.

Other Information

This product may cause allergic reaction in some individuals. Test on small area before use.

Inactive Ingredients
