Visine® Red Eye Hydrating Comfort Eye Drops

Drug Facts

Active ingredients	Purpose
Polyethylene glycol 400 1%	Lubricant
Tetrahydrozoline HCl 0.05%	Redness reliever

Uses

- for the relief of redness of the eye due to minor eye irritations
- for the temporary relief of burning, irritation, and discomfort due to dryness of the eye or exposure to wind or sun
- for use as a protectant against further irritation or to relieve dryness of the eye

Warnings

For external use only.

Ask a doctor before use if you have narrow angle glaucoma.

When using this product

- pupils may become enlarged temporarily
- overuse may cause more eye redness
- remove contact lenses before using
- replace cap after each use
- do not use if this solution changes color or becomes cloudy
- do not touch tip of container to any surface to avoid contamination

Stop use and ask a doctor if

- you feel eye pain
- redness or irritation of the eye lasts
- changes in vision occur
- condition worsens or lasts more than 72 hours

If pregnant or breast-feeding, ask a health professional before use.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- adults and children 6 years of age and over: put 1 or 2 drops in the affected eye(s) up to 4 times a day
- children under 6 years of age: consult a doctor
- children under 2 years of age: do not use
