**Keratex Hoof Moisturiser**

For dry, cracked hooves

Maintains correct moisture levels in the hoof, preventing cracking, flaking and breakage. Also assists new hoof growth by keeping the coronary band tissue supple. Conditions and moisturizes the keep your horse's feet in top condition.

Great for summer conditions and seasonal changes from wet to dry.

Keratex Hoof Moisturiser maintains the natural moisture content of the hoof during dry weather, preventing cracks and splits. Protects horn from sudden changes in the weather. Conditions the hoof wall, frog and sole. Aids faster hoof growth.

Instructions for use: Shake bottle before each application. Start with clean, dry hoof. For fast results, apply to hoof wall daily using a standard hoof brush. For general maintenance and conditioning, apply frog, sole and coronary band twice a week. To aid hoof growth apply to coronary band every other day.

Hoof Moisturiser Ingredients Statement. This product contains: Ethyl alcohol CAS No. 64-17-5. Polyethylene glycol CAS No. 25322-68-3. Lauryl oil CAS No. 84603-73-6.
