INDICATIONS & USAGE

For temporary relief of minor aches and pains of muscles and joints: arthritis, simple backache, muscle strains, muscle sprains and bruises.

WARNINGS

For External Use Only

Allergy Alert: If prone to allergic reactions from aspirine or salicylates, consult a doctor before use.

DOSAGE & ADMINISTRATION

Adults and children over 12 years:

Clean and dry affected area. Remove patch from film, apply to affected area not more than 3-4 times a day.

Do not use for more than 8 hours.

Discard patch after use.

Reseal pouch after opening.

Children under 12 years of age, consult a physician.

If pregnant or breastfeeding

ask a health professional before use.

PURPOSE

Topical Analgesic

When using this product:

■ Use only as directed ■ Avoid contact with eyes, mucous membranes or rashes ■ Do not bandage tightly ■ Do not use at the same time as other topical analgesics ■ Dispose of used patch away from children and pets. Used patches still contain the drug product which can produce serious adverse effects if a child or pet chews or ingests the patch.

Do not use

- On wounds or damaged skin
- With a heating pad
- If you are allergic to any ingredients in this product.

Stop use and consult a doctor

- If rash, itching or excessive skin irritation develops
- If condition worsens
- If symptoms last more than 7 days or clear up and occur again in a few days.

Storage and Care

Store in a clean, dry place outside of direct sunlight. Protect from excessive moisture.
