-----

### **CVS Health Quick Action Spot Treatment Cream**

#### **Active Ingredient**

Benzoyl peroxide 10%

#### **Purpose**

Acne Medication

#### **Uses**

for the treatment of acne

#### **Warnings**

For external use only

#### **Do not use if you**

- have very sensitive skin
- are sensitive to benzoyl peroxide

#### **When using this product:**

- avoid unnecessary sun exposure and use a sunscreen
- avoid contact with the eyes, lips, and mouth
- avoid contact with hair and dyed fabrics which may be bleached by this product
- skin irritation may occur, characterized by redness, burning, itching, peeling, or possibly swelling. Irritation may be reduced by using the product less frequently or in a lower concentration.
- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

#### **Stop use and ask doctor if**

- irritation becomes severe.

## **Keep out of the reach of children.**

If swallowed, get medical help or contact a Poison Control Center right away.

### **Directions**

- Clean the skin thoroughly before applying this product
- Cover the entire affected area with a thin layer one to three times daily
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two to three times daily if needed or as directed by a doctor
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day
- If going outside, apply sunscreen after using this product. If irritation or sensitivity develops, stop use of both products and ask a doctor.

### **Inactive Ingredients**

Water, Glyceryl Stearate, PEG-100 Stearate, PEG-40 Stearate, Cetyl Alcohol, Cetearyl Alcohol, Dimethicone, Magnesium Aluminum Silicate, Glycerin, Cetearyl Glucoside, Citric Acid, Xanthan Gum, Benzyl Alcohol, Benzoic Acid, Sorbic Acid, L-Arginine, Aluminum Hydroxide.
