pituitarum post spray
ProBlen**

Disclaimer: This homeopathic product has not been evaluated by the Food and Drug Administration for safety or efficacy. FDA is not aware of scientific evidence to support homeopathy as effective.

HGH Plus

Active Ingredients - Equal Amounts Of: Alpha - GPC 8X, Deer Antler Velvet 6X, Hepar Suis (Liver Extract) 6X, HGH 12X, 30X, IGF-1 12X, IGF-2 12X, Pituitarum Post 5C, 7C, 9C

* Claims based on traditional homeopathic practice, not accepted medical evidence. Not FDA evaluated.

Directions: Adults: Hold the spray-top close to your open mouth and spray twice directly under your tongue, three times a day. Some people notice improvement within two or three weeks, others take longer.

Warnings: Not for use on children. If symptoms continue to recur, or if sleeplessness persists continuously for more than two weeks, consult a physician. Insomnia may be a symptom of a serious underlying medical illness. As with all medicines, **if you are pregnant or breast feeding**, consult a health professional before using this product. **Keep out of the reach of children.** In case of overdose, get medical help or contact a Poison Control Center right away.

Keep out of the reach of children.

Directions: Adults: Hold the spray-top close to your open mouth and spray twice directly under your tongue, three times a day.

Some people notice improvement within two or three weeks, others take longer.

Other Information: Store at room temperature.

Tamper Evident: There is a seal around the neck of the bottle. Do not use if this seal is broken or missing.

Inactive Ingredients: Organic Ethanol 20%, Purified Water.
