Purposes

Purposes

Uses

- reduces the duration of the common cold
- reduces the severity of cold symptoms: cough, sore throat, nasal congestion, post nasal drip and/or hoarseness
- temporarily relieves cough, nasal congestion, irritated respiratory tract and sore throat associated with cold and flu*

Warnings

Do not use for treatment of influenza or allergies. This product is intended only to reduce the duration of the common cold and provide relief of cold and flu symptoms.

Ask a doctor before use if you have

- diabetes
- multiple sclerosis (MS)
- rheumatoid arthritis (RA) or other auto-immune condition

Ask a doctor or pharmacist before use if you are taking minocycline, doxycycline, tetracycline or are on Coumadin (warfarin) therapy. Zinc treatment may inhibit the absorption of these medicines.

When using this product do not take on an empty stomach (to avoid possible minor

stomach upset)

Stop use and ask your doctor if symptoms persist more than 7 days

If pregnant or breastfeeding, ask a healthcare professional before use.

Keep out of reach of children. In case of overdose, get medical help or contact a Poison Control Center right away.

Directions

- take one lozenge at the onset of symptoms • do not chew
- dissolve entire lozenge in mouth • do not swallow whole
- do not eat or drink for 15 minutes after use
- repeat every 2-4 hours until symptoms subside

Adults 18 years and over	do not exceed 6 lozenges per day
Children 12 to under 18 years	do not exceed 4 lozenges per day
Children under 12 years	ask a doctor before use

Other information

- store in a cool, dry place after opening
- best if used within 6 months after opening

Inactive ingredients

corn syrup, glycine, natural colors, natural flavors, sucrose
