drug facts

Active ingredient

Salicylic Acid, 2%.....Acne Treatment

Purpose

Uses

- for the treatment of acne
- reduces the number of acne pimples and blackheads
- allows skin to heal
- helps prevent new acne pimples from forming

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- cleanse the skin thoroughly before using this product
 - use the pad to clean and treat the entire affected area one to three times daily.
- Do not rinse
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor
 - if bothersome dryness or peeling occurs, reduce the application to once a day or every other day

Other Information

- keep tightly closed. Keep away from flame, fire and heat
- store at room temperature
- lot number and expiration date see jar

Questions?

Call 1-888-287-1915

Warnings

For external use only.

Do not use - if you have very sensitive skin or known allergy to salicylic acid

Stop use and ask a doctor if excessive itching, dryness, redness, burning or swelling occurs or if these symptoms persist

When using this product

- keep away from eyes, lips, and other mucous membranes.

If contact occurs flush thoroughly with water

- do not leave pad on the skin for an extended period of time

- using other topical acne medications at the same time or immediately following use of this product may increase dryness or irritation of the skin. If this occurs, only one medication should be used unless directed by a doctor

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.
