

ACNE CONTROL- cream cream Walgreen

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Acne Control Cleanser

Active Ingredient

Salicylic Acid 2%

Purpose

Acne Treatment

Uses

For the treatment of acne.

Warnings

For external use only.

When using this product

- Skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

Keep out of reach of children

In case of accidental ingestion, get medical help or contact a Poison Control Center immediately.

Directions

- Cover the entire affected area with a thin layer one to three times daily.
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor.
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day.
- Rinse off after use.

Sensitivity Test for a New user. Apply product sparingly to one or two small affected areas during the first 3 days. If no discomfort occurs, follow the directions stated.

Inactive Ingredients

Niacinamide helps soothe skin.

Drug Facts

Active ingredient
Salicylic Acid 2%

Use For the treatment of acne.

Warnings

For external use only.

When using this product, avoid skin irritation and dry another topical acne medication at the same time as this acne medication at a time.

Keep out of reach of children. In case of accident, call a Poison Control Center immediately.

Directions

1. Cover the entire affected area with a thin layer of product.
2. Because excessive drying of the skin may occur, gradually increase to two or three times daily if needed.
3. If bothersome dryness or peeling occurs, reduce application frequency.
4. Rinse off after use.

Sensitivity Test for a New User: Apply product sparingly for the first 3 days. If no discomfort occurs, follow directions.

Inactive ingredients: Water (Aqua), Cocamidopropyl lauryl sarcosinate, Sodium methyl cocoyl taurate, PEG-150 Pentaerythrityl Tetrastearate, Niacinamide, Ceramide NP, Ceramide AP, Ceramide E, Cholesterol, Sodium lauroyl lactylate, Hydrolyzed hyaluronic acid, Ethylhexylglycerin, Tocopherol, Xanthan gum.

Store at room temperature.
