SKIN+PHARMACY  
ADVANCED ACNE THERAPY  
CLARIFYING DAILY CLEANSER with Polytrap® Technology

Maximum Strength 2% Salicylic Acid

- removes excess skin oils
- unclogs pores
- oil-free formula

DERMATOLOGIST TESTED

exclusively at CVS/pharmacy

5 FL OZ (148 mL)

Skin+Pharmacy Advanced Acne Therapy is an innovative line of clinically tested skin care products that help reduce the appearance of acne. These products, exclusive to CVS/pharmacy, are less irritating to skin, yet powerful enough to treat breakouts, kill acne-causing bacteria, and unclog pores. Let Skin+Pharmacy help improve your appearance toward a clear, acne-free complexion.

The oil-free Clarifying Daily Cleanser is formulated with Polytrap®, a proven sebum oil absorber that can absorb up to 4 times its weight in skin oil. Maximum strength salicylic acid unclogs pores and deep cleans, leaving skin feeling refreshed. Use this product with the full Skin+Pharmacy Advanced Acne Therapy regimen.

**Drug Facts**

**Active Ingredient**

2% Salicylic Acid

Acne

**Uses** for the management of acne

## Warnings

### For external use only

#### Do not use this medication if you

- Have very sensitive skin
- Are sensitive to salicylic acid

#### Ask a doctor or pharmacist before use if you are

Using other topical acne medications at the same time or immediately following use of this product. This may increase dryness or irritation of the skin. If this occurs, only one medication should be used unless directed by a doctor.

#### When using this product

- Skin irritation and dryness are more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at the same time.
- When using this product avoid contact with eyes. If this occurs, immediately flush with water.

**Keep out of reach of children.** In case of accidental ingestion, get medical help or contact Poison Control Center right away.

#### Directions

- Use morning and night.
- Apply a dime sized amount to damp skin and gently massage for 1 to 2 minutes.
- Rinse thoroughly with warm water. Pat dry.
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day.
- **If going outside use sunscreen.**

#### Inactive ingredients
