Avon Products, Inc.

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Drug Facts

Active ingredient	Purpose
Salicylic Acid 2.0%.....	Acne Treatment

Uses

- for the treatment of acne
- clears up acne blemishes
- helps prevent new acne blemishes from forming

Warnings

For external use only

When using this product

- avoid contact with eyes. If product contacts eyes, rinse thoroughly with water.
- using other topical acne medications at the same time or immediately after this product may increase dryness or irritation of the skin. If this occurs, only one medication should be used unless directed by a doctor.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Flammable. Keep away from heat or flame.

Directions

- cleanse skin thoroughly before applying medication
- cover the entire affected area with thin layer one to three times daily
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two to three times daily if needed or as directed by a doctor
- if bothersome dryness, irritation or peeling occurs, reduce application to once a day or every other day
