Directions

- Open box and zipped plastic pouch to thread first wipe (from center of roll) through the plastic lid. Don't remove all the wipes.
- Zip pouch closed around the wipe. then re-close the lid & box.
- Gently pull one wipe from the dispenser, pulling at an angle and in a downward motion.
- Wipe your hands using the wipe thoroughly and let hands dry.
- Supervise children under 10 years of age when using this product to avoid swallowing.
- Let hands completely dry before touching a stove or bbq or coming in close contact with any other open flame.
- For best results, clean excessively dirty areas before using wipes.
- Do Not flush wipes. We recommend that you dispose of them in the trash. Flushing wipes can cause damage to plumbing.

Other Information

- Avoid freezing and excessive heat above 40C (104F)
