Uses

- for the treatment of acne

Warnings

For external use only

Using other topical acne medications at the same time or immediately following use of this product may increase dryness or irritation of the skin. If this occurs, only one medication should be used unless directed by a doctor.

Keep out of reach of children

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- clean the skin thoroughly before applying this product
- cover the entire affected area with a thin layer one to three times daily
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day.

Sensitivity Test for a New User Apply product sparingly to one or two small affected areas and allow to dry for 5 minutes. Rinse. If no discomfort occurs after 24 hrs, follow

the instructions above.
